ETRIA ORGANIZATION

Functioning of ETRIA (The European TRIZ Association) is coordinated by the **ETRIA Executive Board**
.

ETRIA **Country Representatives Group** is empowered to carry out all regional functions and tasks, including organization of local ETRIA events.

General co-ordination of ETRIA activities is performed by the **ETRIA President** , elected for the period of two years.

The ETRIA will do most of its work with a mandate from its members. All major issues and proposals are discussed at annual membership meetings organized in conjunction with the

annual ETRIA conferences **"TRIZ Future"** .

Proposals for opening a new initiative will be reviewed by the Executive Board and, when consensus between members of the group and invited experts to pursue the work is reached, a new initiative will be launched.
