

ETRIA Membership changes

Sunday, 22 March 2009 17:13 -

As decided at the latest meeting of the ETRIA Executive Board, since March 2009 new rules of ETRIA Membership will apply. A membership in ETRIA will only be possible on annual basis by participating in any event organized by ETRIA or by its local (country) representatives, such as the global ETRIA conference "TRIZ Future", or regional workshops, or public events. A fee for participation in such events will automatically include ETRIA membership fee. This will grant a participant the ETRIA membership for one year. To extend membership, it will be necessary to participate in any other ETRIA event next year.
